Additional Allergen Information

We produce our food in kitchens where allergens are handled by our people, and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep things separate, we cannot guarantee any item is allergen free, even after ingredients have been removed on request.

Please note:

- Our buns, rolls and tortilla wraps are toasted in the same toaster as buns topped with sesame seeds.
- Due to the handling of cheese we cannot guarantee our products do not contain traces of milk, including where a request has been made to remove cheese from an order.
- All of our fried foods, are fried in the same oil.
- Delivery orders: we also cannot guarantee your meal will not come into contact with other allergens during delivery. Couriers may transport other Romayo's orders or orders from other businesses at the same time as your Romayo's order.
